Del 26 de marzo al 5 de abril nos han visitado nuestros amigos del Istituto Cristiano Banti de Santa Croce sull'Arno. 24 alumnos del nivel equivalente a 2º de ESO, acompañados por dos profesoras, que han seguido un intenso programa de actividades en Miranda, además de visitar Madrid, Bilbao, Burgos y Briones. La experiencia, según ellos, ha resultado fenomenal y queremos agradecer a las familias de nuestros alumnos y a todos los profesores encargados de una u otra actividad tanto la acogida como el trabajo realizado. Nosotros les devolveremos la visita en mayo, para conocer un poco de su preciosa región, la Toscana, y seguir trabajando los temas de nuestro intercambio, Historias de dos ciudades, Two Towns' Tales.

Let's say, from March the 26th until April the 5th we have developed the first exchange of our Comenius Project Two Towns' Tales. 24 pupils and two teachers from Santa Croce sull'Arno Istituto Cristiano Banti came to Miranda and were housed by our pupils' families
.
Tkanks all the people involved!
The followed program has been almost exhausting... You can see it further down.

Aquí tenéis en fotos parte de las actividades y visitas realizadas.

¡Y este ha sido el programa de la semana!
